Property Description

This substantial, traditional styled SUPERIOR DETACHED VILLA (built circa 1939) occupies a generous garden plot located in a highly sought after residential area of the town, within easy reach of most central amenities including local shops and with primary and secondary schools closeby. The property offers bright and spacious rooms over two levels and benefits from Gas fired central heating with recently installed boiler and Double glazing. Many of the original internal features have been retained, adding to the very characterful "retro vibe" of the property, including internal wood doors, skirtings and finishings, ceiling cornicing and picture rails, a laundry chute on the upper floor gallery landing, and the original milk maid service hatch in the Kitchen together with fitted wooden kitchen storage cupboards and units. With these features in mind, internal viewing is a must to appreciate the style of this property. Externally, there is a paved driveway leading into the property and affording ample car parking for several cars, a lovely mature front garden and generous, mature and well laid out rear garden. A timber Garage is located to the side of the house, a Summerhouse located on a rotating base, large timber Shed and Greenhouse are to be included in the sale. All in all, the property offers a unique opportunity to acquire a substantial property full of character and charm with great potential and early viewing is recommended.
