The town centre and Websters High School are only a short walk away. Kirriemuir offers a broad cross section of social, leisure and consumer facilities, and provides convenient access to the Dundee/ Aberdeen A90 dual carriageway, which connects to major routes north and south.

The property was originally a Betts Leven house design, which has been extended to the rear to provide a large sitting room and conservatory.. The subjects benefit from gas fired central heating, double glazing, a modern fitted kitchen, separate utility room, four piece bathroom and cloaks/WC on the upper floor. The range of bedrooms and public rooms can be utilised to suit the individual purchasers' requirements, with the lounge being a fifth bedroom if required.

Externally there is driveway parking for a number of vehicles and gardens to front side and rear. There is a single garage.
