This lovely apartment is in move in condition and practical benefits include double glazing, secure entry, elevator service and gas central heating. Included in the sale are all carpets, floorcoverings and blinds where fitted along with the integrated hob, fridge freezer and free standing washing machine. It should be noted there is an intermittent problem with the hot water and the oven requires replacing.

The accommodation comprises a bright south facing lounge with Juliet Balcony which boasts fabulous views over the River Tay and beyond. Behind the lounge lies the kitchen with light filtered through a feature glass block panel. The master bedroom features fitted wardrobes with mirror doors and an en suite shower room. The guest bedroom also benefits from fitted wardrobes and the same fantastic river views. The family bathroom with shower over the bath completes the accommodation.

Externally the gardens are shared and managed as part of the factor fee. There is a designated parking space which comes with this flat. The Building is factored by Estates Property and monthly fees are payable.

This lovely flat with awesome views is ideal for a first time buyer or those coming to University given the proximity to the City Centre and all local amenities and viewing is highly recommended.

Area

Dundee is Scotland's fourth largest and notably sunniest city. Situated on the north shore of the River Tay it was recently voted by the Sunday Times as one of the top twelve places to live in Britain. Now a UNESCO City of Design it has undergone dramatic redevelopment at the waterfront which includes the V & A 'Museum of Design Dundee' which opened in September 2018, RRS Discovery and HM Frigate Unicorn. Further museums, art centres and theatres can be found across the city including the McManus Galleries and Dundee Contemporary Arts Centre. Dundee has a very diverse mix of culture, history and education and boasts two football clubs, two excellent universities Dundee and Abertay, along with the renowned Ninewells Teaching Hospital. There are a great variety of bars, restaurants and amenities along with excellent transport links with a main line railway, airport and the A90 trunk road from Edinburgh to Aberdeen.
