This semi detached villa is situated in a popular residential location, convenient for all local amenities including shops, town centre, public transport and Langlands Primary School. Forfar offers a broad cross section of social, leisure and consumer facilities and provides convenient access to the Dundee Aberdeen A90 dual carriageway which connects to major routes north and south.

The property offers spacious and well proportioned accommodation over two floors and benefits from UPVC double glazing (still under guarantee) and electric heating and UPVC external eaves. Whilst in need of some cosmetic modernisation, the property offers the potential purchaser a blank canvas to adapt to their own style. The rear hallway and large storage cupboards have potential for conversion to further accommodation as can be observed in similar neighbouring properties.

The gardens to both front and rear have been laid out with ease of maintenance in mind.
