Description

Located in the popular Law Conservation Area this spacious semi-detached period style villa offers spacious and versatile accommodation over two levels and boasts a substantial floored attic. The property requires a degree of updating and this has been reflected in the asking price. Practical benefits include double glazing, gas central heating and a security alarm. Included in the sale are all carpets, floorcoverings and blinds where fitted.

On entering the villa through the vestibule on the ground floor you will find an impressive lounge featuring a bay window and ornate coving. There is a family room/bedroom five, formal dining room which leads to the kitchen. A useful utility store lies off the kitchen along with a shower room. A study/bedroom six completes the ground floor accommodation. Moving to the upper floor you will notice the stairwell is flooded with natural light from the skylight window. On the half landing lies the family bathroom and on the upper floor there are four double bedrooms. A stairway leads to the large floored attic which benefits from light.

Externally at the front of the villa lies a small garden laid with grass and mature shrubs. There is a long driveway which leads to a single garage. This is an excellent benefit as parking is at a premium in this area. At the rear of the home lies a paved courtyard.

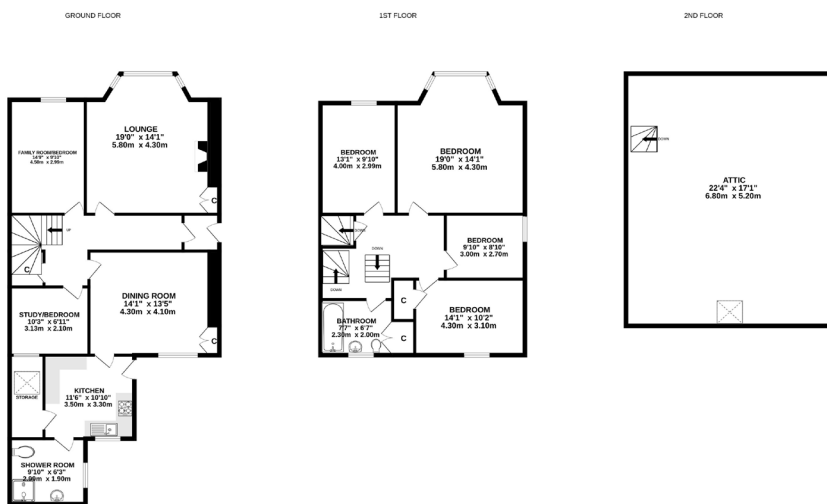

This substantial family home and accommodation can only be fully appreciated by viewing which is highly recommended.

Area

Dundee is Scotland's fourth largest and notably sunniest city. Situated on the north shore of the River Tay it was recently voted by the Sunday Times as one of the top twelve places to live in Britain. Now a UNESCO City of Design it has undergone dramatic redevelopment at the waterfront which includes the V & A 'Museum of Design Dundee' which opened in September 2018, RRS Discovery and HM Frigate Unicorn. Further museums, art centres and theatres can be found across the city including the McManus Galleries and Dundee Contemporary Arts Centre. Dundee has a very diverse mix of culture, history and education and boasts two football clubs, two excellent universities Dundee and Abertay, along with the renowned Ninewells Teaching Hospital. There are a great variety of bars, restaurants and amenities along with excellent transport links with a main line railway, airport and the A90 trunk road from Edinburgh to Aberdeen.
