Chamber Practice 

The Chamber Practice are delighted to bring to market this well presented, deceptively spacious mid terraced villa forming part of the West Green Park private estate, set within approximately 50 acres of beautifully maintained grounds and woodlands of the former Liff Hospital. Whilst enjoying an idyllic rural location nearby amenities can be found in the villages of Liff and Birkhill and the A90 dual carriageway, Kingsway, Ninewells and Dundee City Centre are all within a short drive of the development.

The accommodation is arranged over two levels. On the ground floor a welcoming entrance hallway leads to a bright and comfortable lounge, with direct access to the garden, ideal for relaxing and entertaining. A generous dining kitchen provides ample space for family dining and features a central island, excellent storage and worktop space and integrated appliances including gas hob, electric oven, microwave and dishwasher. A convenient cloakroom/WC complete the ground floor.

Upstairs, the property offers a generous principal bedroom with built in wardrobes and desk/dressing table and two further spacious double bedrooms, all providing excellent accommodation for family living, guests or home working. The first floor is also served by a well-appointed family bathroom.

Externally, the property benefits from private gardens to the front and rear, providing pleasant outdoor space for relaxation and a single garage and dedicated parking space offer practical and secure parking.

Combining generous internal space with a desirable rural location and the character of the historic Liff Hospital estate, this property will appeal to a wide range of buyers including families, professionals and those seeking a peaceful yet well connected setting and early viewing is highly recommended.
